**Mandarin Courses**
- Classes are divided based on Age group (children and teenagers) and language level (Basic, Intermediate and advance). Professional and experienced teachers are assigned by MLC. All students receive proper instruction according to their language proficiency.

**Culture & Physical Courses**
- Chinese cultural courses such as Chinese knotting, toy, dough making, and physical courses such as kung fu, Chinese Diablo etc. will all be arranged in order to help students understand Chinese art deeply and cultivate study interest.

**Elective Courses**
- As for listening, speaking, reading and writing enhancement, we design elective courses such as Zhu-yin & Pin-yin, Speaking, Word Recognition, Chinese idiom Application and Essay Composition classes.

**Field Trips**
- We will take students to explore the northern Taiwan scenic spots, which all have their own distinguishing local features. These trips are designed to train students’ observational skills, to inspire their motivations for learning, and to foster their appreciation of Taiwanese culture.

**Special Assistance for Schoolwork**
- Summer Camp students can stay at school after classes. Mandarin assistants will be with students and to help with their studies. Children age over 10 can also use the Digital Learning Center for homework reviewing, movie appreciation or Internet surfing.

Mandarin Summer Camp Q & A

Q1: How are students divided?
A: There are 2 age groups in the Mandarin Summer Camp – 7-9 years old and 10-15 years old. There is a placement test before classes start in which students will be placed into 3 different levels (Basic, Intermediate and High) according to the test results. Textbooks and class activities are both arranged according to different age groups. There are around 15 students in each class.

Q2: If we sign up for two sessions together, will the learning content overlap?
A: No. The textbooks arranged for the 2 sessions are different. If students plan to stay in Taiwan for a longer period of time, signing for 2 sessions is suggested since the whole Mandarin learning environment is all around students ready to grasp.

Q3: Do you offer lunch for students?
A: Students can choose to prepare their own lunch or order lunch from the school. The school provides a microwave oven for those who prepare their own lunch. If the students need the lunch service from the school, the fee is NT$1200 a session. Payment should be made along with the tuition.

Q4: What’s so special about your program?
A: The Mandarin Summer Camp has a diverse curriculum. Class topics include Mandarin learning, Chinese culture appreciation, hands-on experience and field trips. It not only solidifies students' Mandarin listening, speaking, reading and writing abilities, but also brings them closer to Chinese culture values and the Taiwanese spirit. It’s going to be a fulfilling and substantial vacation for every student.

Q5: How is your Mandarin Summer Camp teaching staff?
A: MLC was founded in 1992 and began the Mandarin Summer Camp in 2001. All of our teachers not only have their bachelor’s degree but they also have a lot of experience teaching and working with children and teenagers.

Q6: How can I sign up for the program?
A: Please follow the following steps:
1. Please fill out the application form and email or fax the form to the MLC office.
2. The MLC will email you a confirmation letter about your reservation.
3. Please complete your tuition payment within one week after you get a confirmation letter from us.
4. The registration starts now and ends when the maximum student number is met.

Q7: Are the class handouts and textbooks included in the tuition?
A: The main materials for this program are written and edited by our professional Mandarin teachers at MLC. The cost of the handouts is included in the tuition already. However, any of the books which teachers require or suggest in class are not included.

Q8: Is the cost of the field trip included in tuition?
A: Yes. Any cost related to field trips is included: transportation, tickets and insurance. The meals and personal shopping items, however, are not included.

Q9: Are there any restrictions for applicants?
A: Anyone aged from 7-9 and 10-15 is welcome to sign up for the program.

Q10: Is student accommodation available?
A: Yes, we offer a variety of accommodation options to meet different needs, please contact us for more detailed information.

Q11: What activities are suspended during the typhoon case?
A: When the typhoon struck during the event, if declared that "no school in Taipei", Summer Camps will be closed without making-up the class or refund.

Q12: Can students in this program apply for a student visa?
A: No. This program is designed for children and teenagers who come to Taiwan to visit their relatives during their summer vacation; therefore a visitor visa is suggested.

Q13: Will students get a certificate of completion after the program?
A: Yes! Every student will get a certificate when the program ends.

Q14: How can I make the payment?
A: There are several ways to make the payment:
1. Pay on-the-spot: either by cash or by credit card.
2. Pay by credit card: please e-mail or fax the “credit card payment application form” to Mandarin Learning Center (MLC).
3. Pay by check: Send a check payable to "Chinese Culture University" to the address in the contact information. To receive confirmation, please contact us before you send the check.
4. ATM transfer: Bank code 013, account number 58588+your ID number (English letter A=01, B=02, etc.) To receive confirmation, please contact us after you transfer the payment.

Q15: Is the tuition refundable if any emergencies happened?
A: The refund policy is as followed (registration fee is non-refundable):
1. 90% of tuition fees will be refunded for requests submitted before the first day of this Summer Camp.
2. 50% of tuition fees will be refunded when students have not finished 1/3 of this Summer Camp. No refund of tuition fees will be granted after students have finished 1/3 of this Summer Camp.
3. MLC has the right to cancel classes if the minimum number of students is not met. The tuition will be fully refunded when this happens.
